

BUSSELTON WATER

# Manager Finance

## Permanent position

An excellent opportunity is available for an experienced Finance Manager to join a water service provider that is committed to best practice in everything it does.

Reporting to the General Manager Business Services, the position will be responsible for statutory reporting requirements and compliance and lead the strategic financial plan, annual budget process and management accounting requirements for Busselton Water.

### **Your key accountabilities will include:**

- Provide leadership through continuous evaluation of short term and long-term financial objectives
- Manage a small diverse team of people looking after payroll, debtors, creditors and procurement
- Preparation of all financial statements
- Provide senior level input into strategic business planning
- Reporting to State Treasury Department
- Co-ordinate and prepare the annual review of tariffs, fees and charges
- Ensuring the organisation is compliant with key financial statutory standards and government policies

To be successful in this position, you will have relevant experience in a senior management position within a finance capacity and ideally you will be a CPA or CA.

Salary range is \$93,394 to \$98,680 per annum plus superannuation and additional benefits as outlined in Busselton Water's Enterprise Agreement.

To be considered, it is mandatory that you submit a letter specifically addressing the selection criteria together with your resume to [carleen.gale@busseltonwater.wa.gov.au](mailto:carleen.gale@busseltonwater.wa.gov.au).
